Speakers , Workshops & Demonstrations

There will be a programme of talks and workshops throughout the two days. These will take place in a variety of spaces including small workshop spaces, a 120 person capacity auditorium and a 450 seated capacity main stage. This is a fantastic opportunity for individuals to hold an informative or educational talk or workshop and impart their specialist knowledge to this target audience.

Each speaker can hire a studio and present a talk for £60 + vat per 30 minutes and, if they wish, can then either offer a free admission talk or workshop - which is highly recommended to gain the largest attendance and best customer experience - or charge a small entry fee to their talk and keep all the proceeds. You are welcome to sell products to the attendees of your talk, however this must be within the timeframe that you have hired your studio space.

If a speaker chooses to book an exhibition stand that is 3m x 2m or larger, we can offer a talk or workshop space free of charge . These spaces will be limited and subject to availability at the time of booking.

All speakers would be expected to promote the event via their website and social media platforms in the lead up to the event plus they would need to meet and greet the attendees of their talk on the day at the entrance of their studio space.

A PA system with handheld microphone will be available for use in all studio spaces. If you require any additional AV (e.g you intend to use a presentation), a laptop and projector will be available for use in certain AV compatible studio spaces. **If you require use of an AV compatible studio, please ensure you highlight this on your booking form so we can allocate you to the correct room.** All presentations must be pre-prepared on a USB stick and brought to the event on the day.

We have decided not to offer pre-bookable spaces at our classes, as many people that pre-registered this year did not turn up, therefore spaces will be allocated on a first come, first served basis at the class studio on the day of the class. We will promote the time and day of all talks and workshops on our website and via social media in the lead up to the event.

We will provide 2 exhibitor entry wristbands for each talk if you do not have an Exhibition stand. If you also have an Exhibition stand, we will provide one further wristband on top of your exhibitor allocation. If you require any additional staff members to join you on the day of your talk, there will be a supplement cost of £15 + VAT per day. All speakers will have access to the Exhibitor Area, where we will provide hot beverages, bottled water, snacks and lunch.

If you would like to present a talk/workshop/demonstration at this years event, please complete a **Speaker Booking Form** online via our website.
